

BALI'S MUST PLAY GOLF COURSE

Bukit Pandawa Golf & Country Club

Opened in October 2016, Bukit Pandawa Golf & Country Club is the latest addition to Bali's growing collection of world-class golf courses. Situated on a limestone cliff-top overlooking the world-famous surf breaks of Bukit Peninsula, the singular venue offers 18 championship caliber par-3 golf holes, many of which are back-dropped by rustic architectural relics and spectacular views of the Indian Ocean, with a clubhouse inspired by the many grand temples Bali is renowned for. The club is the centerpiece of an expansive development that will eventually include several 5-star hotels, including a Waldorf Astoria, Mandarin Oriental and Swissôtel.
